VALVES & ACTUATORS

PNEUMATIC, ELECTRIC & ACCESSORIES

AIRTORQUE - Pneumatic Rack & Pinion Actuators

WESTLOCK - Mechanical Switches, Position Indicators

VELAN - Flanged, Threaded Industrial Process Ball Valves

PARKER - Solenoid and Air Operated Valves, Angle Body Valves

BONOMI - Valves - Flanged, Threaded, Direct Mount, General Application Ball Valves

VRC - Pneumatic, Electro Pneumatic Positioners

VALBIA - Actuators - Pneumatic and Electric

HAYWARD - Flanged, Socket, and Threaded Connection Thermoplastic Valves

ABZ VALVE - Resilient Seated, High Performance Butterfly Valves

VICTAULIC - Groove End Connection Ball and Butterfly Valves

BETTIS - Pneumatic and Electric Actuators

CRANE FLOWSEAL - High Performance Butterfly Valves

APOLLO - Valves - Flanged, Threaded General Application Ball Valves, Pneumatic and Electric

BELIMO - Damper and Spring Return Actuators

ELECTRIC MOTOR

QUARTER & MULTI-TURN

EIM - Intelligent, Electric Actuators and Controls for Quarter Turn and Multi Turn Applications

VALVTECHNOLOGIES - Metal Seated, Severe Service Ball Valve

CRANE - Cast Steel Gate and Globe Valves

VSI WATERWORKS - AWWA Quarter Turn, Multi Turn Valves

VAL-MATIC - Cast and Forged Quarter Turn Valves, On-Off and Process Control for Municipal and Industrial Applications

BERNARD CONTROLS - Electric, Motor Driven, Spring-Return Actuators

PBV - API 6D Trunnion and Floating Ball Valve

FLOWROX - Pinch, Sleeve, and Knife Gate Valves for Water and Waste Applications

CONTROL VALVE PNEUMATIC & ELECTRIC, SELF-ACTING

SPIRAX SARCO - Steam, Process Fluid Linear Globe Control Valves ANSI 150 & 300 Electric and Pneumatic Drive

GESTRA - Cooling Water, Return Temperature Control Valves

WARREN CONTROLS - Industrial, Commercial Pneumatic and Electric Control Valves and Regulators

BONOMI - Segmented/Characterized Ball Valve

MECHANICAL OPERATOR MOUNTING, EXTENSION, SAFETY AND MECHANICAL ADVANTAGE

ELLIOTT MANUFACTURING - Remote Cable Drive Safe Operators for Quarter Turn and Multi Turn Valves

ROTORK GEARS - Worm Gear Operators and Mechanical Advantage Product

VANAIRE - Mounting Kits, Custom Extensions and Linkages

ROTOHAMMER - Rim and Guide Chainwheel Operator

INSTRUMENTATION MEASUREMENT & CONTROL

ITRON - Residential, Light Duty, High Pressure, and Constant Load Regulators

SPIRAX SARCO - Single and Multi Loop Temperature Controllers, Traps, Separators, Steam Product

TRERICE - Pressure Gauges, Thermometers, Control Loop Product

HONEYWELL ELSTER - Water Metering Solutions

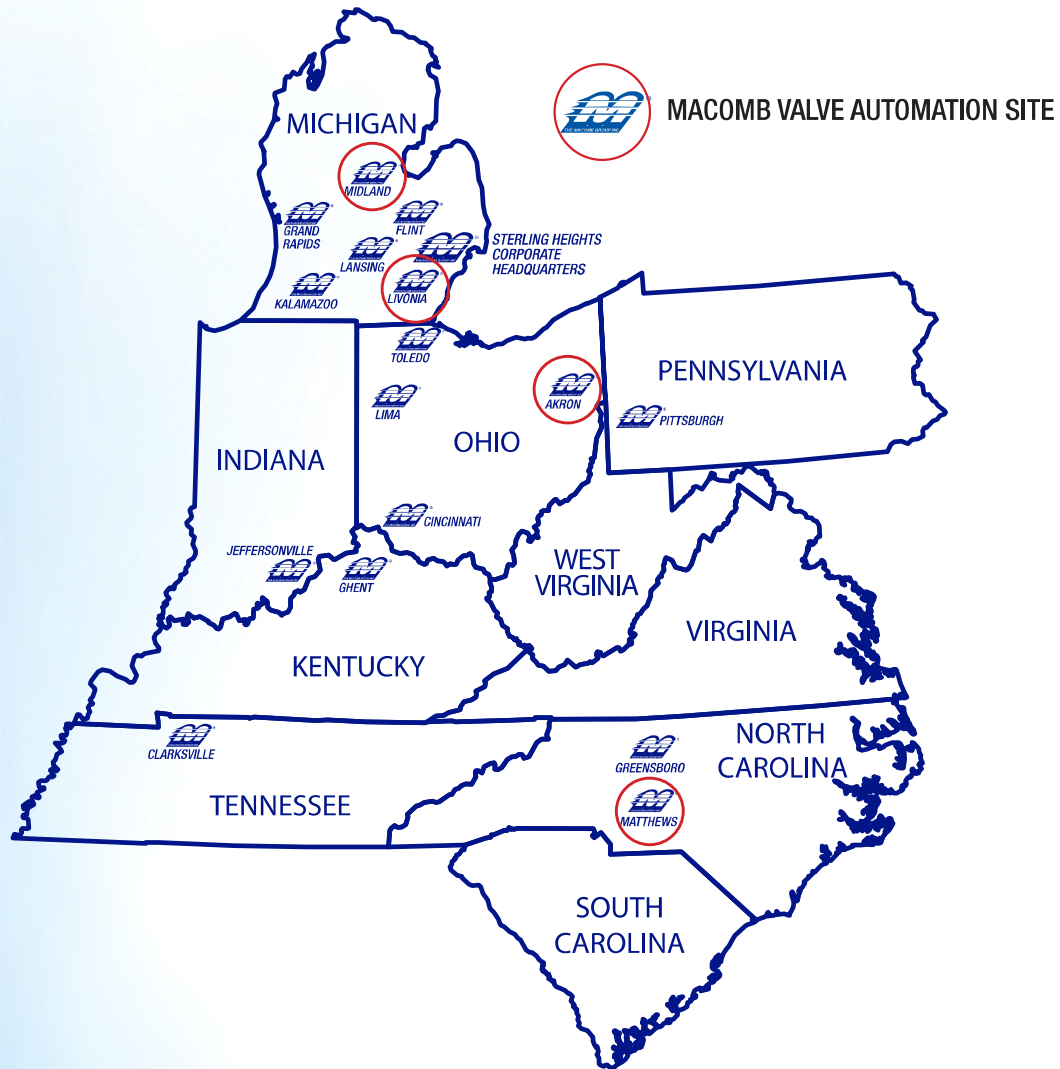

NIAGARA - Positive Displacement, Mag, Turbine, Ultrasonic Flowmeters

ROBERTSHAW INDUSTRIAL - Level Control and Transmitters, Pneumatic Temperature Sensors

VALVE AUTOMATION AND INSTRUMENTATION SERVICES

- **COMPLETE ASSEMBLY AND CALIBRATION TESTING** for every automated valve assembly before it leaves our facility.
- **CUSTOMER-REQUIRED TAGGING** information along with The Macomb Group sales order number. is included on an attached stainless steel tag for every assembly we ship.
- **ENGINEERING AND DESIGN CAPABILITY** using 2D and 3D modeling software.
